

TITLE 39  
HEALTH AND SAFETY

CHAPTER 53  
ADULT ABUSE, NEGLECT AND EXPLOITATION ACT

39-5301. SHORT TITLE. This chapter shall be known and may be cited as the "Adult Abuse, Neglect and Exploitation Act."

[(39-5301) 1982, ch. 286, sec. 2, p. 734; am. and redesignated 1991, ch. 329, sec. 2, p. 847.]

39-5301A. DECLARATION OF POLICY. (1) It is the intent of the adult abuse, neglect and exploitation act to authorize the fewest possible restrictions on the exercise of personal freedom and religious beliefs consistent with a vulnerable adult's need for services and to empower vulnerable adults to protect themselves.

(2) The legislature recognizes that vulnerable adults sometimes experience difficulties managing their own affairs or are unable to protect themselves from abuse, neglect or exploitation. Often, vulnerable adults cannot find others who are able or willing to provide assistance.

(3) The commission is directed to investigate allegations of abuse, neglect, self-neglect or exploitation involving a vulnerable adult, to make appropriate referrals to law enforcement, and to arrange for the provision of necessary services. Further, the commission shall honor a vulnerable adult's freedom of choice and right to self-determination. When it becomes necessary for the commission to assist a vulnerable adult, actions shall be tempered by the requirements of due process and must place the fewest possible restrictions on personal freedom. Services provided under this act are also intended to provide assistance to caregiving families experiencing difficulties in maintaining functionally impaired relatives in the household.

(4) In the process of carrying out its adult protective services responsibilities, the commission is directed to make effective use of multi-disciplinary services available through any and all public agencies, community-based organizations, and informal resources.

[39-5301A, added 1998, ch. 308, sec. 2, p. 1020; am. 2019, ch. 43, sec. 1, p. 116.]

Nothing in this chapter shall be construed to mean a person is abused, neglected, or exploited for the sole reason he is relying upon treatment by spiritual means through prayer alone in accordance with the tenets and practices of a recognized church or religious denomination; nor shall the provisions of this chapter be construed to require any medical care or treatment in contravention of the stated or implied objection of such a person.

(6) Any person who makes a report or allegation in bad faith, with malice or knowing it to be false, shall be liable to the party against whom the report was made for the amount of actual damages sustained or statutory damages in the amount of five hundred dollars (\$500), whichever is greater, plus attorney's fees and costs of suit. 39-5303A. EXEMPTION FROM DUTY TO REPORT -- LIMITED APPLICATION OF EXEMPTION. (1) The requirements set forth in section [39-5303](#), Idaho Code, pertaining to the reporting of instances of abuse, neglect or exploitation of a vulnerable adult to the commission or the department shall not apply to situations involving resident-to-resident contact within public or private health facilities or state licensed or certified facilities which serve vulnerable adults, except in those cases involving sex abuse, death or serious physical injury that jeopardizes the life, health or safety of a vulnerable adult or repeated resident-to-resident physical or verbal altercations, not

resulting in observable physical or mental injury, but constituting an ongoing pattern of resident behavior that a facility's staff are unable to remedy through reasonable efforts.

(2) This exemption applies only to reports involving resident-to-resident abuse that are to be directed to the commission or the department pursuant to section [39-5303](#), Idaho Code. This exemption shall not limit any other reporting obligation or requirement whether statutory or otherwise.

[39-5303A, added 2000, ch. 104, sec. 1, p. 232.]

39-5304. REPORTING REQUIREMENTS, INVESTIGATION, EMERGENCY ACCESS. (1) When a report is required pursuant to this chapter, such report shall be made immediately to the commission or appropriate provider. Provided however, that nursing facilities defined in section [39-1301](#)(b), Idaho Code, and employees of such facilities shall make reports required under this chapter to the department. If known, the report shall contain the name and address of the vulnerable adult; the caretaker; the alleged perpetrator; the nature and extent of suspected abuse, neglect or exploitation; and any other information that will be of assistance in the investigation.

(2) If the allegations in the report indicate that an emergency exists, the commission or provider must initiate an investigation immediately and initiate contact with the alleged vulnerable adult within twenty-four (24) hours from the time the report is received. All other investigations must be initiated within seventy-two (72) hours from the time the report is received.

(3) The investigation shall include a determination of the nature, extent and cause of the abuse, neglect, or exploitation, examination of evidence and consultation with persons thought to have knowledge of the circumstances, and identification, if possible, of the person alleged to be responsible for the abuse, neglect or exploitation of the vulnerable adult.

(4) Where no emergency exists, the commission or provider may determine, based on the review of the report and any initial inquiries, that an interview with the vulnerable adult is not necessary to the investigation. If the commission or provider determines that an interview is necessary, the preferred method of interviewing is by means of a personal visit with the vulnerable adult in the adult's dwelling. Alternatively, the interview may occur in the local office of the commission or provider, or by telephone conversation, or by any other means available to the commission or provider. Decisions regarding the method of conducting any interview will be within the discretion of the commission or provider.

(5) Upon completion of an investigation, the commission or provider shall prepare a written report of the investigation. The name of the person making the original report or any person mentioned in the report shall not be disclosed unless those persons specifically request such disclosure or unless the disclosure is made pursuant to the commission's duty to notify law enforcement as required in section [39-5310](#), Idaho Code, to a request to law enforcement for emergency access, a court order or hearing.

If the abuse, neglect, or exploitation is substantiated to have occurred in a state-certified or licensed facility, a copy of the findings shall be sent to the licensing and certification office of the department.

If the commission or provider determines that a report is unsubstantiated and that no other law has been violated, all records related to the report shall be expunged no later than three (3) years following the completion of the investigation.

39-5305. INSPECTIONS -- RIGHT OF ENTRY. (1) Upon receiving information that a vulnerable adult is alleged to be abused, neglected, or exploited, the commission or provider shall cause such investigation to be made in accordance with the provisions of this chapter as is appropriate. In making the investigation, the commission or provider shall use its own resources and may enlist the cooperation of peace officers. In an emergency, any authorized commission employee or provider shall enlist the cooperation of a peace officer to ensure the safety of the vulnerable adult and shall receive the peace officer's assistance. Assistance in an emergency may include entry on private or public property where a vulnerable adult is allegedly subject to abuse, neglect or exploitation, and the removal and transportation of the vulnerable adult to a medical facility, care-providing facility, or other appropriate and safe environment.

(2) In a nonemergency, any peace officer may cooperate with an authorized commission employee or provider in ensuring the safety of a vulnerable adult who has been abused, neglected or exploited, including a vulnerable adult living in a condition of self-neglect. Assistance shall be provided only with the consent of the vulnerable adult or his legal representative.

(3) For the purposes of implementing or enforcing any provision of this chapter or any rule authorized under the provisions of this chapter, any duly authorized commission employee or provider may, upon presentation of appropriate credentials at any reasonable time, with consent or in an emergency, enter upon any private or public property where a vulnerable adult allegedly is subject to abuse, neglect, or exploitation.

(4) All inspections and searches conducted under the provisions of this chapter shall be performed in conformity with the prohibitions against unreasonable searches and seizures contained in the fourth amendment to the constitution of the United States and article I, section 17, of the constitution of the state of Idaho. The state shall not, under the authority granted in this chapter, conduct warrantless administrative searches of private property except with consent, or in an emergency.

(5) If consent to entry is not given, a commission employee or provider with the assistance of the county prosecutor may obtain, and any magistrate or district judge is authorized to issue, a search warrant upon showing that probable cause exists to believe a vulnerable adult is subject to abuse, neglect or exploitation. Upon request of a commission employee or provider, a peace officer shall serve the search warrant.

39-5306. SUPPORTIVE SERVICES AND DISCLOSURE. (1) If there is substantiated abuse, neglect, or exploitation of a vulnerable adult, the commission or provider has the responsibility to assist the adult in obtaining available services.

(2) If the commission or provider develops a plan of supportive services for the vulnerable adult, the plan shall provide for appropriate supportive services available to the vulnerable adult that are least restric-

tive to personal freedom and shall provide encouragement for client self-termination and continuity of care.

(3) If the vulnerable adult does not consent to the receipt of reasonable and necessary supportive services, or if the vulnerable adult withdraws consent, services shall not be provided or continued.

(4) If the commission or provider determines that a vulnerable adult is an incapacitated person as defined in section [15-5-101](#)(a), Idaho Code, mentally ill as defined in section [66-317](#), Idaho Code, or developmentally disabled as defined in section [66-402](#), Idaho Code, the commission or provider may petition the court for protective proceedings, appointment of a guardian or conservator and such other relief as may be provided by [chapter 5, title 15](#), Idaho Code, and chapters 3 and 4, [title 66](#), Idaho Code.

(5) An employee or provider of the commission shall not be appointed the guardian or conservator of a vulnerable adult unless the commission employee or provider has a spousal or familial relationship with the vulnerable adult.

39-5307. ACCESS TO RECORDS. Any person, department, agency or commission authorized to carry out the duties enumerated in this chapter shall have access to all relevant records, which shall be subject to disclosure according to [chapter 1, title 74](#), Idaho Code, and shall only be divulged with the written consent of the vulnerable adult or his legal representative. No medical records of any vulnerable adult may be divulged for any purpose without the express written consent of such person or his legal representative, or pursuant to other proper judicial process.

39-5308. INTERAGENCY COOPERATION. (1) In performing the duties set forth in this chapter, the commission or provider may request the assistance of the staffs and resources of all appropriate state departments, agencies and commissions, and local health directors, and may utilize any other public or private agencies, groups or individuals who are appropriate and who may be available. Interagency cooperation shall include the involvement, when appropriate, of law enforcement personnel, department personnel, medical personnel, and any other person or entity deemed necessary due to their specialized training in providing services to vulnerable adults. Interagency cooperation may also include access to client information necessary for the provision of services to vulnerable adults.

(2) The commission shall provide to the department on at least a quarterly basis a listing of all alleged perpetrators against whom an allegation of adult abuse, neglect or exploitation has been substantiated. Upon request, all available supportive information shall be provided to enable the department to conduct criminal background checks and other required investigations.

(3) The department shall provide to the commission or provider any report received under this chapter from a nursing facility defined in section [39-1301](#)(b), Idaho Code, or an employee of such facility.

(4) The commission or provider shall provide the department with any report received under this chapter involving allegations of abuse, neglect or exploitation occurring in a nursing facility as defined in section [39-1301](#) (b), Idaho Code.

(5) The commission, providers, and the department shall use interagency staffing when necessary and share client and facility information necessary to provide services to vulnerable adults.

A decision to continue the provision of such services should be made in concert with appropriate personnel from state agencies, departments, service providers and others, and shall comply with the consent provisions of this chapter.

39-5310. REPORT TO LAW ENFORCEMENT -- PROSECUTION. (1) If, as the result of any investigation initiated under the provisions of this chapter, it appears that the abuse, neglect, or exploitation has caused injury or a serious imposition on the rights of the vulnerable adult, the commission shall immediately notify the appropriate law enforcement agency which shall initiate an investigation and shall determine whether criminal proceedings should be initiated against the caretaker or other persons in accordance with applicable state law. Notwithstanding the prohibition against disclosure of names of persons associated with the written report of an investigation as provided in section [39-5304](#), Idaho Code, the commission shall disclose names associated with the written report when notification is made as required in this section.
